Guaranteed Peace of Mind

Sideloaders are our life, our passion. Our experience is 100% Sideloaders. Our purpose built service facility at Lytton is equipped with the latest specialised Hammar service equipment. At Hammar Service we can do everything from Laser Wheel Alignment through to a total overhaul of your hydraulic cylinders. Providing these services in house means quicker turnaround and less downtime for you.

Genuine Service
Reduce costly inconvenient breakdowns. For reliable, trouble free operation we recommend regular servicing at Hammar Service.

Genuine Parts
Need a part – Hammar Service stocks over 10,000 parts at our Lytton service facility.

Safety

Provide a safe working environment at the same time extend the life of your Sideloader by having an annual service. An annual service includes a 61 point maintenance and safety check as per the manufacture's specifications. Testing of all safety systems and load test performance with a written report. All repairs if needed are performed using Hammar genuine parts.

Is your Sideloader over 10 years old? Hammar Service can do a 10 year pre-inspection report in accordance to **AS2550.11**

Maintenance Service Program
A fixed price Maintenance Service Program which includes an extended warranty is an insurance policy for your success. Protect your investment and asset from depreciation and impending breakdowns, thereby increasing the life and efficiency of you sideloader.

Genuine Quality
Don't risk your Hammar sideloader's performance with an unauthorised repairer. Have your Sideloader serviced by the same people who built your Sideloader.

Genuine Value
At Hammar we guarantee that you will receive value for money on all services performed on your sideloader.
